

# ACRYLIC BLOCKS

## A fabulous gift idea for a loved one or friend.

They sit perfectly at home on your desk, shelf or mantelpiece and are a great way of displaying your favourite image. With their laser cut, diamond polished edges, they'll be the talking point of your home or office. Also great for use as promotional products. The reverse of the block is finished with a black velvet covering.

Simply supply us your JPEG and we will do the rest.
